

# Father`s Day Stall 2019

Tuesday 27, Wednesday 28, Thursday 29 August

Please select a few items so as to avoid disappointment. Correct money is appreciated. While all care is taken to evenly distribute stock over three days, no guarantee can be offered on all product availability.

Online vouchers are once again available. To prepay for your student's shopping, simply log on to [www.quickcliq.com.au](http://www.quickcliq.com.au) and purchase a voucher. No loose change getting lost in school bags – fantastic!

Thank you to parents last year in providing preferences on the price list – this enabled volunteers to help your student finish their shopping with a smile! Please consider marking your preferences on the price list.
